# Portfolio & iPad 2 TPU Case

Leather Portfolio for Your iPad® and iPad® 2

ITEM No. - DGIPAD-4548

**The included black TPU case is only for iPad 2. It serves as an adapter which makes iPad 2 fit in the Portfolio's brackets.**

## To Use the Portfolio with iPad 2

- 1) Insert your iPad 2 into the black TPU case.
  - a. Make sure you align the case properly, with the top of the iPad 2 going into the top of the TPU case.
  - b. If you are unsure, line up the back facing camera of iPad 2 with the camera cut out of the case.
  - c. Pull the case completely over iPad 2 so it fits snugly.

- 2) Slide your iPad 2 (bottom first) into the brackets of the Portfolio.

- 3) Slide the iPad 2 with case out of the Portfolio to remove it.

Please note: You must remove your iPad 2 with case from the Portfolio before using the back facing camera.
